Quad 34 Preamp Review

A little later, I sold my Quad 34 preamp and 405-2 power amp. In his original review of the 34, J. Gordon Holt talked of a euphonic "velvet fog," it's still there. I have old quad 34 preamp. Now, I am considering MC module for quad 34. Is it worth? In japan market, Resale value of QUAD 34 is still very high.
